

How to pass your engineering exam fast

Thoroughly revised, here's a classic guide that's already helped 200,000 engineers prepare for their E.I.T. certificate and P.E. licensing exams. It gives you a run through 600 real exam questions used in recent state

board exams across the U.S., covering all major engineering specialties. With these vital inside facts you'll have everything you need to know to pass the real test in your specialty at your geographic location.

PROFESSIONAL ENGINEER'S EXAMINATION QUESTIONS AND ANSWERS

Third Edition

By William S. LaLonde, Jr., and William J. Stack-Staikidis
601 pages, \$22.50

Save time and trouble in preparing for P.E. exams

Here is a book devoted exclusively to helping you prepare for—and pass—the engineering economics sections of your P.E. examinations. It offers you an immense array of facts, formulas, and valuable working aids to save time and insure accuracy

in answering virtually any question likely to arise. Revised, enlarged, and updated, this edition is arranged so you can find the information you need at a moment's notice.

ENGINEERING ECONOMICS FOR PROFESSIONAL ENGINEERS' EXAMINATIONS

Second Edition

By Max Kurtz
311 pages \$24.50

Max Kurtz, a registered Professional Engineer, is an author, and an instructor of a P.E. review course sponsored by various industries.

How to pass your P.E. exam the very first time!

How to Become a Professional Engineer, Third Edition

By John D. Constance, P.E.
574 pages \$19.50

This immensely valuable book has helped thousands of your fellow engineers to obtain their professional registration. Now it can help you, too. You'll find a thorough discussion of state variations in qualifying and examination procedures. Plus guidelines for receiving credit for your experience in teaching, contracting, or the military. Details of the new NCEE exam format are presented, including the scope of sampling areas. You'll discover the pros and cons of review courses and other preparation methods to help you determine just how far away you are from qualifying.
